"It is both an honor and a humbling experience to have lawyers in the community – who know you, and the know the results you've obtained for your clients – think of you as a "Best Lawyer," and certainly, considering the many talented lawyers we have here in North Carolina. I don't know if one person can take credit for being "Lawyer of the Year," because at Martin & Jones it is really a team effort. Having fellow "Best" lawyers John Alan Jones, Hunt Willis, Steven Corriveau and Mike Riley on your team, backing you up, or helping lead the charge is crucial to our clients' successes."

According to [Best Lawyers](#), "Recognition by Best Lawyers is based entirely on peer review. Our methodology is designed to capture, as accurately as possible, the consensus opinion of leading lawyers about the professional abilities of their colleagues within the same geographical area and legal practice area. Additional recognitions are also awarded to individual lawyers with the highest overall peer-feedback for a specific practice area and geographic region. Only one lawyer is recognized as the "Lawyer of the Year" for each specialty and location."
