

Frequently Asked Questions Answered by a North Carolina Mesothelioma Lawyer

Choosing a North Carolina mesothelioma lawyer is an important matter. We created this page so our current and future clients would have an easy-to-access resource to help them through this journey. You are going to have more questions about [asbestos lawsuits and mesothelioma](#). Please do not hesitate to [contact us](#). One of our experienced mesothelioma professionals is here to address your questions and concerns.

How Much Will a Mesothelioma Lawsuit Cost Me?

Our firm works on a contingency fee basis. As soon as possible, after you contact us, a North Carolina mesothelioma lawyer will begin an investigation of your claim. If we conclude there is enough evidence to support filing an asbestos case on your behalf; we will proceed with your permission. You incur zero financial risks. We only collect a fee if and when you either accept a lawsuit settlement, or we prevail at trial. You have much to gain and absolutely nothing to lose. We want you to understand the entire process from start to finish and feel comfortable with all of it. Please call us at 800-662-1234 or [notify us via our website](#) that you would like more information.

How Much Can I Recover in an Asbestos or Mesothelioma Lawsuit?

Every case of asbestos exposure and injury is unique. The amount of money damages you might be entitled to will depend on several factors, including how and when you were exposed to asbestos and how your case progresses. Our law firm has a [successful track record](#) of securing significant results for mesothelioma lawsuit clients and their families.

Do I Have to Be in North Carolina to Retain a Mesothelioma Lawyer from Your Firm?

A Martin & Jones North Carolina mesothelioma lawyer will come to you no matter where you reside. Our team handles mesothelioma lawsuits all over the country. We work hard to make the process as easy on you and your family as possible.

How Long Do I Have to Decide Whether I Want to File an Asbestos Claim?

Each state has its own law — called the statute of limitations — that imposes a time limitation on how long you can wait to file an [asbestos-related lung cancer](#) or mesothelioma lawsuit in that particular state. Because of this strict time limit, it is important that you call us as soon as possible so we can offer you a case evaluation and so you do not risk missing the deadline.
